clover Flex

Technical specifications

- 2x the speed of the original Flex
- Wicked-fast, 8-core Snapdragon processor
- 2100mAh lithium-ion battery supports up to 8 hours of use for a typical small-to-medium-sized business
- Payments accepted: EMV® chip cards, magnetic stripe, NFC contactless (such as Apple Pay®, Google Pay® and Samsung Pay®)

Flexibility – It's baked right into the name.

Whether your business operates on the go or in a physical location, Flex is purpose-built to fit your needs. Run your business wherever you are or need to be: At home, on your counter, at the table or out on the road.

Sales-ready and fast!

Start taking orders out of the box, with minimal set-up and training. Speedy setup, fast unlocks, super-responsive touch screen, three-second transactions and more.

Anytime, anywhere cloud access

Access and manage your back-of-house data, reports and employee schedules from virtually anywhere you need to run your business: on the floor, at the office or on the road.

Be stock-smart. Manage inventory from virtually anywhere.

Quickly build your inventory with the built-in barcode scanner. Categories, labels, modifiers and variants help you keep your inventory organized and up to date.

Maximum reliability

Get ready to ring up sales all day long. Wi-Fi and 4G/LTE connectivity powered by a lithium-ion battery gives you no-fail redundancy.
